WALT To write an event from a different point of view.

I own my own sweet shop in Landoff but theres these 'orrible kids keep barging in taking what they damn well like. It's jam packed with Sars, Tabs of nasty, rotting teeth - rotting poison they're 'orrid things. The snort ridden brats go 'ead over heels to get the stuff.

This one day them wretched boys were lookin' suspicious those beady eyed rats dawdling away at my sweets then they walkz in 'ere drooling then the 'un with the rotten teeth says "One Gob stopper please" I 'ead rattling so I cried "Gods of my sweets". I turned around grabbed their money and they shot off like a bullet their happiness still lingers in the air.
