

GOOD LEARNERS

27TH MAY 2016

Name A. J. ...

Date ...

WALT: Remember key parts from a story

Create a royal knicker guide for the twelve pairs of royal knickers that are already in the story 'The Queen's Knickers'.

WEDDINGS		METALS	

$$4 \times 10 = \underline{40}$$

19516

Ayşe Bone

$$6 \times 10 = \underline{60}$$

$$1 \times 10 = \underline{10}$$

$$3 \times 10 = \underline{30}$$

$$5 \times 10 = \underline{50}$$

$$7 \times 10 = \underline{70}$$

$$9 \times 10 = \underline{90}$$

$$11 \times 10 = \underline{110}$$

$$12 \times 10 = \underline{120}$$

$$2 \times 10 = \underline{20}$$

$$8 \times 10 = \underline{80}$$

$$10 \times 10 = \underline{100}$$

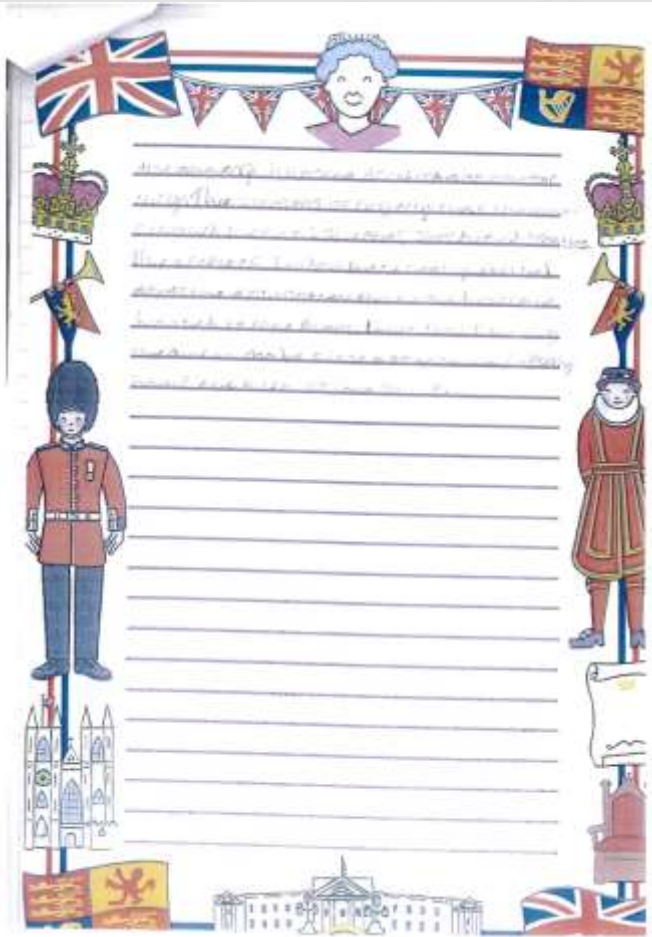

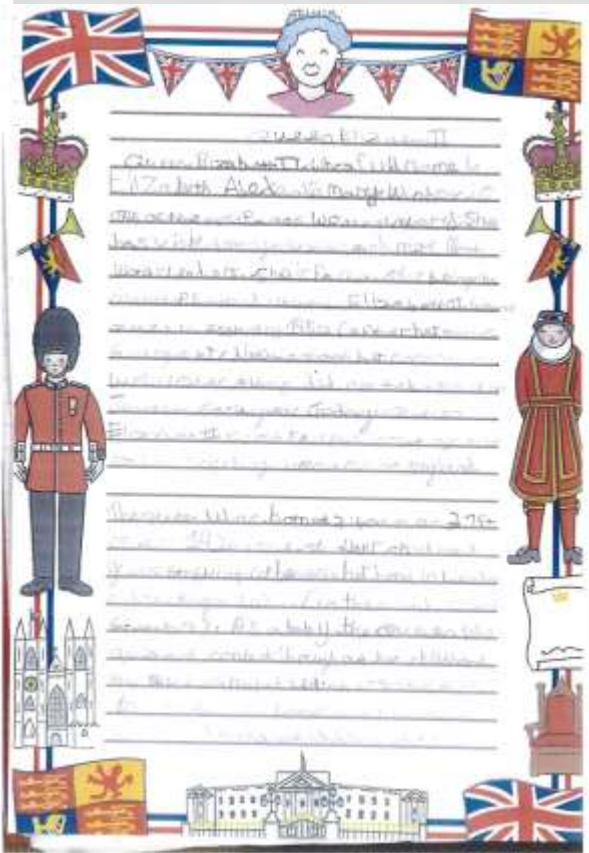

WOW!

You were as
quick as a flash!
Used numbers to see
however, didn't need to
count them.
Fantastic.

AK

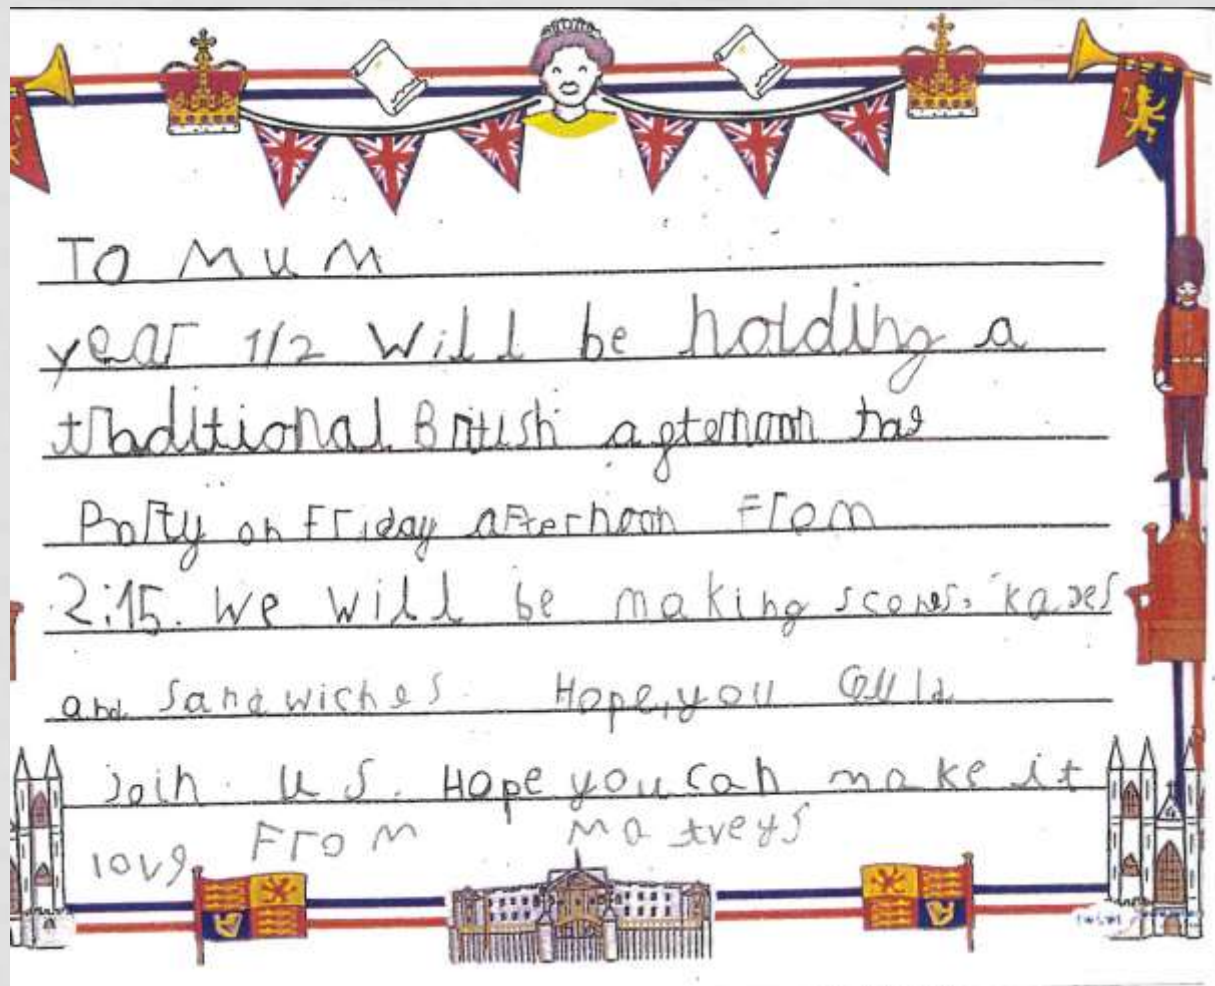

London

To MUM

year 1/2 will be holding a
traditional British afternoon tea

Party on Friday afternoon from

2:15. We will be making scones, cakes

and sandwiches. Hope you will

join us. Hope you can make it

love From MATEYS

INTRODUCTION

Welcome to Portsmouth Water Sports Centre where your dreams could come true. Down at the centre, you will be able to meet all of our friendly, qualified staff and you will be able to create and play fun activities. You will be playing and creating games such as: kayaking, paddle boarding and many more. Can you show us your water skills?

WHAT WE PROVIDE YOU

Our highly-trained staff will provide you with all of our things that you might need for your lovely day out in Portsmouth. You will be given: helmets, waterproof you will be given: helmets, water proof jackets, kayak, paddleboards and wetsuits (no shorts) and your own special coat! Sorry to say, if you are under three years old, you cannot come but

we're sure we will be kind enough to give your mum some soft sweets for you.

TRIPOD BUILDING

Tripod building is an extremely interesting activity because you can build up all of your amazing team work and you will be able to challenge your mums and dads to see who is the very best. You never know - you may even beat against them. Can you show us how well you are at team building. Come down to the centre and we bet that you'll a splashing good time!

WET SUIT MAYHEM

After lunch, boys and girls can get changed into our very hot and sticky wetsuits. After 10 minutes of mayhem, there will be a safety check (we don't want any accidents) so you don't drown. It may feel a little tight against

your chest and stomach, but this feeling will not last for long.

KAYAKING

Scared of going out too far or the wind taking you out too far? Well, don't worry about that - we will encourage you to overcome your fears of the water. You will be all put into pairs because that is the maximum of one boat. Don't worry if you do go too far out as you will be brought back to shore by the rescue boat very quickly!

PADDLE BOARDING

Are you ready to overcome your worst fear of water? Well don't worry because our paddle boarding team will make sure that you will be safe as houses. You could also meet lots of new friends.

CONCLUSION

When you arrive, you will be shown to your room where you can enjoy a warm cup of tea, coffee or hot chocolate. Our instructors (Nathan and Tyler) will be

with you on your first activity, will tell you what to do if there is a fire or just a fire drill. Once you are used to them, you will be able to put all of your gear on and head off to find some wood and other things that you will need.

Make sure to come down to Portsmouth Water Sports, - you'll have the time of your life.

MILLIE TUME

⑥ 23.5.16

WALT: Add multiples of 10

Use your knowledge of addition facts to add these multiples of 10 or 100.

Task 1

1) $24 + 40 = 64$

2) $39 + 50 = 89$

3) $22 + 40 = 62$

4) $38 + 50 = 88$

5) $73 + 20 = 93$

6) $16 + 50 = 66$

7) $43 + 40 = 83$

8) $44 + 40 = 84$

9) $59 + 20 = 79$

*
Harvey + Tyler
worked as a
pair to solve
using Numicon.
Both needed to
check each
other's counting

Task 2

1) $13 + 40 + 40 = 93$

2) $19 + 50 + 20 = 89$

3) $24 + 20 + 40 = 84$

4) $28 + 30 + 20 = 78$

5) $53 + 10 + 30 = 93$

6) $24 + 10 + 50 = 84$

7) $48 + 40 = 88$

8) $54 + 40 =$

9) $59 + 20 + 10 =$

*
