Jessie Leigh Dance & Cheer Academy After School Club is BACK for another year at Holbrook Primary School !!!

JLDC will be continuing sessions on a Monday afternoons from 3:15-4:15pm. The sessions will run throughout each term, costing £4 a session. Sessions resume on Monday 11th September for the 6 week term.

Welcome to Jessie Leigh Dance & Cheer Academy - home of the fastest growing academy in the South Coast! We are excited to be entering our 2nd season and have learned over the previous year that while all of the trophies, banners, jackets and rings are great accolades, nothing compares to the feeling of belonging to the JLDC family.

While All-Star Cheerleading has exploded in growth in the UK, we believe that not all gyms are the same. With over 230 cheerleaders in 2 locations within the Gosport and Portsmouth region, we also have the largest After School Club Program in the area. Through all of this, we've stuck to our humble beginnings and kept the focus on developing our youth through this amazing sport.

With JLDC, you'll gain life lessons that you'll take with you far beyond your years of Cheerleading. Cheering with JLDC goes above and beyond what you would typically expect from a sport. We believe that JLDC serves a higher purpose, it's more than a new skill or a trophy. It's a feeling that comes with building friendships that will last a lifetime, learning from coaches that give you everything they have, and understanding that a team is only successful when hard work towards a common goal is achieved.

Being a JLDC athlete means being a part of a supportive and inclusive family that truly lifts you higher. We can't wait to welcome you! Young athletes with big dreams go far in life!

Cheerleading has two specific areas 'Cheer Pom' and 'Cheer'. Cheer Pom involves dance, jumps, turns and some gymnastic skills whilst holding pom poms. The other type of Cheerleading involves stunting, tumbling, jumps and dance. The aim in this class is for the children to have FUN whilst learning more about their body awareness and developing skills. If interest is high in this class future aspirations of entering a team into competitions would be considered.

This season we are very excited to announce that JLDC has a new coach running the After School Club sessions. Georgina Self also known as Coach G, like Jessie, is originally from Australia. G moved to the UK for new experiences at the beginning of 2016. She started Dance at the age of 2 having competed in Ballet, Modern and Tap for over 15 years. G competed in Cheerleading in Australia with a very successful team for a number of years. Gina is also a qualified Cheerleading coach and Personal Trainer, having also taught teams in Australia. Gina is very excited to be a part of JLDC and coaching both After School Club teams and competitive teams with JLDC.

Students who participate in the After School Club sessions get the opportunity to perform at JLDC's annual Summer Showcase Event in July.

Sessions are to be paid in half termly blocks prior to sessions commencing to secure your child's position in the session.

Please visit [www.jldcuk.com/athleteparent-login](http://www.jldcuk.com/athleteparent-login). This will be your personal 'parent portal' to manage your account with JLDC. The parent portal is a webpage unique to JLDC and allows parents to view available classes, login, register/enrol online, make payments, update family or student information, check on enrolments and more. We hope to see you in our sessions.

Kind regards,  
Jessica & Mark Metelko  
Company Director
