

## The Home Screen

The Home Screen features a header with a welcome message and user profile. A navigation bar includes tabs for 'Obs', 'Children', 'Images', 'Videos', and 'Search'. Below this is a list of observations, each with a thumbnail, title, date, and author. Annotations with red arrows point to various elements: 'Preferences' (top right), 'Log out' (top right), 'Observations screen' (top left), 'List of your children' (top navigation bar), 'Pages with images/videos' (top navigation bar), 'Search' (top navigation bar), and 'List of observations' (bottom of the list).

## The Preferences Screen

The Preferences screen is titled 'Preferences' and contains several sections: 'Connected Children' (showing 'Xander Smith'), 'Email Notifications' (checkbox for receiving emails), 'Email Address' (current address 'mb@test.com'), and 'Password' (fields for new and confirm passwords). A 'Save' button is at the bottom. Annotations with red arrows point to: 'List of your children' (Connected Children), 'Opt in/Out of emails' (Email Notifications), 'Change email address' (Email Address), 'Set new password' (Password fields), and 'Save preferences' (Save button).

## Viewing Observations

The observation view shows a photo at the top, followed by a 'Notes' section with text, a 'Liked by' section, and a 'Comments' section. A 'Print' button is visible at the bottom right.

To view an observation click on the title of any observation in the obs, images or video tab. You can scroll up and down to view all of the content in the observation.

At the top of the screen you have access to the navigation tabs, and can jump backwards and forwards through observations using the arrows to the right and left side of the screen.

This screenshot shows the observation view with navigation arrows on the left and right sides of the content area. Annotations with red arrows point to the 'Obs' tab and the navigation arrows.

## Adding an Observation

This screenshot shows the Home Screen with the 'Add Observation' button highlighted. An annotation with a red arrow points to the 'Obs' tab, and another points to the 'Add Observation' button.

Click on the "Obs" tab and then on the "Add Observation" button.
